EDUCATION

Baku Higher Oil School (BHOS) 2024 – 2029 (Expected)
B.S. in Computer Engineering Baku, Azerbaijan
- **GPA:** 89.43 / 100.0

Sheki, Bash Zeyzid Village Secondary School 2013 – 2024
- Graduated with a **Certificate of Distinction**.
- University entrance score (DIM) - 643.6 / 700.

TECHNICAL SKILLS

- **Primary Stack:** Java, Spring Boot, REST APIs, Spring Data JPA, Spring Security
- **Software Engineering Principles:** SOLID Principles, Object-Oriented Programming (OOP), DSA
- **Databases & Tools:** PostgreSQL, MySQL, Redis, Flyway, Docker, Git, Maven, Linux, Bash Scripting
- **Additional Programming & Academic Knowledge:** C++, C#, Python (PyQt6)
- **Languages (Spoken):** Azerbaijani (Native), English (B2), Turkish (Native/Bilingual)

PROJECTS

FileVault – Secure File Storage Service | *Java, Spring Boot, PostgreSQL, JWT, Redis, MinIO, Flyway* Sep 2026
- Developed a robust backend service for secure file uploading, systematic storage, and metadata validation.
- Implemented strict access controls and file validation logic, securing access with stateless JWT authentication.

PolicyGate – Dynamic RBAC System | *Java, Spring Boot, PostgreSQL, JWT, Flyway* Sep 2026
- Architected a Role-Based Access Control API to dynamically manage user roles and granular permissions.
- Isolated complex authorization business logic within a dedicated service layer and managed schema evolution via Flyway.

TaskBoard – Productivity Management API | *Java, Spring Boot, PostgreSQL, JWT, Flyway* Sep 2026
- Engineered a RESTful API to orchestrate tasks, custom tracking labels, and dynamic status workflows.
- Applied clean architectural patterns to decouple business logic, ensuring a scalable and easily testable codebase.

AccountShield – Secure User Management API | *Java, Spring Boot, Spring Security, PostgreSQL, JWT* Sep 2026
- Architected a stateless RESTful API for secure user account management and Role-Based Access Control (RBAC).
- Streamlined data serialization with MapStruct and engineered reliable data persistence using Spring Data JPA.

EXPERIENCE & HACKATHONS

- **Internship** | *Devlab LLC – Spring Boot Backend Developer* September 2026
- **Internship** | *Globtel Solutions – IoT & GPS Provider* June 2026
- **Participant** | *Pasha Hackathon 6.0* May 2026
- **Participant** | *Spring Cup Programming Competition* 2025

ACHIEVEMENTS & CERTIFICATIONS

- **Pasha Hackathon 6.0:** Certificate of Participation
- **Java Programming Certification:** Java Programming 1 (University of Helsinki)
- **IELTS Certification:** Overall band score of 6.5
